The History of Killeavy GAC 1886 - 2015

The St. Moninna's club is steeped in history from our formation in 1886 through to the present day. County, provincial and All-Ireland titles have been won by our teams and by our members and along the way there have been many memorable moments and people. The task of putting together the definitive history of the GAA in Killeavy has been a labour of love that has occupied Oliver McDonald over the past number of years. The result of thousands of hours of research is a thoroughly comprehensive club history consisting of over 500 pages with hundreds of team and individual photographs that will ignite interest throughout the parish and beyond. The book is almost ready to go to print and will be available for the Christmas season. The costs of printing are however quite daunting and the club will have to defray the costs by seeking individual sponsorship and pre-orders. Keep an eye on the bulletin and social media for more information on how you can help bring our club history to life.

Killeavy on Tour

Our u12 footballers performed sensationally well in their recent trip to a tournament in Kildare. They topped their group with victories over teams from Kildare, Longford and Offaly. In their quarter-final they defeated the home team, Kildare Round Towers, and followed this up with a magnificent come from behind victory over Cork kingpins St. Finbarrs. The final proved to be one step too far as they missed out to Summerhill from Meath. The boys exhibited great pride and passion and the disappointment among the team at the end showed how much they wanted to represent their club with honour. The boys were congratulated by Round Towers' clubman and twice All Star Glen Ryan who commended them on their disciplined, honest and tough playing style.

Pictured below are our u14 hurlers who had a very successful trip to Wexford and Kilkenny. The boys played two games over the two days as well as a training session on Courstown beach. The trip creates memories for the boys as well provide the opportunity to learn from hurling teams from other counties. The lads showed they can compete and were commended for their skill and attitude to the game. Another pleasing point was the behaviour and good manners of the lads as they enjoyed themselves on the night away from home.

The club would like to thank all our dedicated coaches who give up their free time going the extra yard to ensure that our players have these valuable life experiences.

Games News

With football and hurling on their July break, it was left to our Ladies to hold centre stage this week. There were two fine victories for our seniors over Lissummon and Mullaghbrack while our u12s showed that there is much to look forward to in the future with a good win against Mullaghbawn. A key week lies ahead for our seniors in their fight against relegation. They travel to Portadown on Sunday and Cullyhanna next Friday night with anything less than four points will, in all likelihood, condemn us to the Intermediate league. On Thursday, our u16's take on Crossmaglen in the championship semi-final. Throw-in is in Mullaghbawn at 7.30pm and all support would be appreciated.
