It's a long, long way from Clare to here

Last weekend was a great one for camogie in Killeavy. Our U14 camogs made an epic journey down to Co Clare, where they had an excellent coaching session with a member of the Clare county coaching team, followed by a thrilling match against Eire Óg in Ennis. The girls had a fantastic time, learning new skills for their sport and making new friends in the Eire Óg team. On Sunday the girls travelled to Croke Park to meet over one hundred other club members to watch three great championship finals before heading home. Unfortunately Armagh lost to Carlow in the Junior final though that still didn't stop some of our girls getting their picture taken with the cup courtesy of a lovely gesture by Carlow captain Marian Doyle. The girls were brilliant representatives of their club and their families, and we look forward to welcoming Eire Óg for a return visit in the near future.

Championship Report

Last weekend proved to be a step too far for our Junior and minor footballers. The Juniors were ousted from the championship by a strong Dorsey Emmetts side that bossed the game from the start and ran out comfortable winners by 2.16 to 0.06. Our minors lost out in their semi-final but should be proud of the performance they put up against the reigning Ulster champions, Crossmaglen. For much of the game they gave as good as they got and it was only Cross's ability to secure valuable goals that was the difference.

This weekend, all eyes turn to Silverbridge on Saturday evening when Killeavy take on Clan na Gael in the quarter-final. Fresh from their upset victory over Silverbridge, Killeavy should have an increased confidence about their chances in this tournament. For their part, Clans beat Culloville in a back door qualifier last week and will be fairly confident of creating an upset themselves. Throw in is at 5.15pm and all support would be appreciated.

Michael Doran Tournament Success

Eighteen teams from three counties converged on the Memorial Park last Sunday morning for the annual Michael Doran u10 tournament. The weather was fairly decent for the time of year as much fun was had by all before the eventual winners Burren (Cup) – photo below; Killaney (Shield) and Cooley (Plate) collected their trophies. For the first time there was also a ladies section and our own Killeavy ladies came out on top – photo below. Thanks to Eithne Murphy, we have loads of excellent photographs showing the action and fun on our Facebook page. Our thanks as always to the Doran family for their cooperation and in particular to Barbara for presenting the winners with their medals and trophies.
