Training gets underway ...

This week saw the majority of our teams back in training in some form or other. The senior men began pre-season fitness testing while some of our younger age brackets are already getting involved in friendly competition. The bulletin this week can also announce the management teams for each of our different age groups for 2018 with some slots still waiting an appointee: the list below aims to increase visibility and knowledge across the club as to who is running each team so that managers and coaches can be contacted throughout the year if and when they are needed. This week also saw the announcement of events that will be held around the club in the coming weeks – the details of which can be found below.

Fit in 40

The calendar for the club's Health & Wellbeing initiative "Fit in 40" is currently being finalised and will be shared on Facebook this week and in next week's bulletin. So far we have received offers of voluntary contributions from the following:

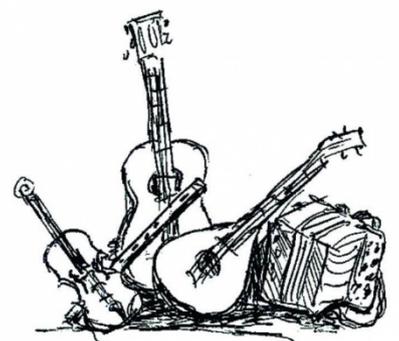

- Jackie Cromie – Life Coach
- Joanne Dooley – Yoga
- Brenda Fearon – Curves Fitness
- Stephen Harold – Elite Fitness
- Lisa Rice – Circuits
- Ventoux Cycling Studio – Spinning

We can't thank these contributors enough for their support of this event and we encourage everyone to get involved and support them during and after the event - We can't publish the final calendar as yet as we continue to receive more generous offers of support!!!

We also have badminton, walking and hillwalking sessions organised and there will be lots of positive motivation and support. Sessions will be planned for both mornings and evenings allowing you to join in whichever suits you best and/or continue with your current exercise plans to earn points for your team. This is a team event so there will be no naming and shaming of your weight - but there will no doubt be a generous amount of competitiveness and banter!! Prices and more details of this community event can be found on poster and at our event link on Killeavy GAC Facebook page. Registration will be 11am - 2pm in the social club on 4th and 11th Feb. We encourage anyone aged 16+ regardless of your shape, size or fitness level to get involved. More information is available from Lisa McDonnell (07854162123); Fionnuala O'Neill (07789680670); Mary Coogan (07521676458) or James Duffy (0776543356)

Traditional Session next Friday

As is normally the way with these things, the further you go in a competition – the more it costs. We are so proud to have two teams from our club representing Ulster in the All-Ireland Scór na nÓg final but it does mean that we have additional travel and subsistence costs that we will have to meet. As is usually the way with these things again, we reach out to those who have supported us in the past and ask for their continued generosity. We are holding an open session for traditional singers and musicians in the Social Club next Friday 2nd February at 8.00pm with all proceeds going directly towards a fund for our Ulster champions to travel and enjoy their day at the All-Ireland Final in Sligo on 17th February. Everyone who is a patron of the traditional arts or seeking a night's craic should attend in full voice to support our ceili team of Lui Duffy, Tiernan Breslin, Dylan Phillips, Shane Kavanagh, Ellen Cromie, Orla McGuinness, Aimee McAteer and Hannah McManus came as well as our quiz team Conor King, Grainne Boylan, Fearghal Murphy and Sean Boylan.

Dinner Dance News

A reminder to our readers that it is now just over one month until our annual Dinner Dance on the 3rd March. Tickets costing £25 should be purchased from members of the executive committee as soon as possible. We did tease last week the possibility of purchasing your tickets online but this facility isn't quite ready. We do hope that with the success of our senior football team this year and potentially the success of one or both Scór na nÓg teams in the All-Ireland final, there will be a lot to celebrate this year and therefore a large demand for tickets. We would ask you therefore to get your tickets early in order to guarantee that you and your family will be there on the night. We look forward to seeing you there.

Management Teams for 2018

The Games subcommittee has been doing a substantial piece of work to ensure that management structures are in place for each of the 23 juvenile teams listed below. There are still a few gaps and we do need more people to come forward with offers of assistance. Even if you are not able to commit to helping to coach a team, we still need referees, umpires, linesmen (and women), water carriers, kit people, drivers and loads of other posts. We especially need women to help out with our girls teams. If you feel you could offer assistance in any of these roles, then please contact any of the coaches whose details are given below or email: secretary.killeavystmoninna.armagh@gaa.ie

u10 Hurlers take part in Dundalk blitz

Well done to the Killeavy U10 hurlers who represented the club in DKIT at the winter hurling programme on Sunday 21st January. They followed on from the U8 hurlers who played in the same venue the previous week and showcased the quality of coaching we have throughout our underage structures in hurling.

The indoor blitzes give the young boys the opportunity to play against clubs from not only Armagh but also neighbouring counties and manager Sean Callan was delighted with how the young boys performed.

The U10 hurlers got to showcase their skills against Clontibret (Monaghan), Clonduff (Down), Cuchullains (Armagh) and Knockbridge (Louth) and for over two hours of intense hurling, the boys played with great spirit and enthusiasm. Although they were certainly tired at the end - all the lads had a smile of their face after what was a fantastic start to a new season. Any child who may be interested in playing for our hurlers should contact Sean Callan on 07736 004223. Well done again to the team.
